December 2011

Dear Friends,

We look forward to seeing you all at this Friday's Night on the Town. Enjoy an "Old Fashioned Christmas" while visiting with neighbors and friends and getting some Christmas shopping done. Beaufort's galleries and specialty shops offer an impressive variety of very distinctive and unique gift items.

Bay St. Gallery has commissioned a series of small lidded sweetgrass baskets...perfect "packages" for small gifts. All of our artists are presenting new works in December.

See you at the gallery soon!

"Beware of all enterprises that require new clothes"
